SWIMMING POOL

A wide-angle photograph of a tropical swimming pool. The pool is filled with clear, blue water and is surrounded by lush greenery, including palm trees and other tropical plants. In the background, there are several lounge chairs with white cushions and large, cream-colored umbrellas. A thatched-roof structure is visible on the left side of the pool. The overall atmosphere is serene and relaxing.

ORGANIZATIONAL CHART

QUALITY POLICY

The Company is committed to providing complete customer satisfaction to the best of its abilities and expertise which specifies the Company's quality objectives using adopted policy of operating a co-ordinated Quality Management System meeting the standard requirements.

In addition, the Company complies with applicable legislation and regulations as well as the recommendations and ethics of bodies to which it subscribes. This commitment extends to the continual improvement of quality and environmental performance together.

It is the Company's policy to maintain an electronic communications network covering all aspects of the services provided that links all offices and projects being operated.

Health & Safety Policy

A policy states clearly what the employer intends to do about commitment and support for health and safety in the workplace. The policy must be specific about who is responsible for which aspects of maintaining health and safety.

A policy commits the entire organization to maintaining a safe workplace.

This encourages both human and financial resources to help ensure that safety is an important part of doing business.

It is important that the health and safety representative or health and safety committee has input into the development of the policy.
